THE MEMORIAL INSCRIPTIONS

INDICES

Index 1 is a list of the persons named on the headstones and memorials who are buried in the churchyard, sorted alphabetically by surname, first names and year of death (if known).

Index 2 (on page 'p') is a list of persons named on the headstones and memorials but not actually buried in the plot where they are mentioned. They may, nevertheless, be listed separately in **Index 1** if buried at a different location in the churchyard.
